# 1. EXECUTIVE SUMMARY

---

## 1.1 INTRODUCTION

MSP Mandal's Shri Shivaji College Parbhani was assessed and accredited by National Assessment and Accreditation Council (NAAC) Bangalore in December 2003 and awarded B+ grade with an institutional score of 75.50 on 8th January 2004.

The Internal Quality Assurance Cell (IQAC) was established on the recommendation of the peer team for enhancing the quality of academics in the college.

In February 2011, the college went for its second cycle and NAAC awarded A grade to the college with 3.06 CGPA.

The college went for the third cycle in 2016 and on 23rd January 2017, NAAC awarded its A+ grade to the college with a CGPA of 3.52.

The college offers BA, BCom, BSc, BBA, BCA and BSc (Computer Science) at UG level and at PG level (MA, MSc, MCom) in 14 subjects. In addition to four recognised research centres, the college also has PhD supervisors in 16 subjects. There is a wide range of add-on awareness/ certificate courses. The college provides students with wide academic flexibility from undergraduate to the research level in Arts, Commerce and Science. All the programs are directed towards the realisation of our vision mission and achieving our objectives in keeping with the values of our college. The college is among the top 5 colleges in the Marathwada region.

During the past few years, Peer Team Report recommendations were attended to and the college has made tireless efforts to comply with those recommendations. The peer report allowed the college to introspect and improve on quality parameters. IQAC became more functional and proactive with defined roles and responsibilities as a major initiative taken by the college.

During the last five years college promoted 12 of its Associate Professors to professors as per the guidelines of the 7th CPC. The college has introduced ICT-based learning. During Covid-19 college provided students and teachers with a dedicated online learning platform called '**great learning**'. Also, the college has provided Samsung Tabs to all of its regular full-time teachers. Most of the teachers are having their own YouTube channels with lots of resources.

## 4. Quality Indicator Framework(QIF)

### Criterion 1 - Curricular Aspects

#### 1.1 Curricular Planning and Implementation

##### 1.1.1 The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment

##### Response:

Shri Shivaji College, Parbhani is affiliated with Swami Ramanand Teerth Marathwada University, Nanded. It follows the curriculum prescribed by the university. Apart from traditional UG & PG courses, the college also offers value-added courses like B.C.A., B.C.S., B.B.A., Diploma (UGC Vocational) and several skill-oriented certificate/awareness courses so as to benefit maximum students.

Academic processes are streamlined, with timetables, workloads and other supporting administrative tasks prepared well in advance of the teaching session. Some of the faculty members are also members of various bodies of the University contributing to curriculum reviews, assessments and evaluations.

To ensure effective curriculum delivery, besides traditional classroom teaching methods, the teachers of the college also use experiential, participative, problem-solving and ICT-based teaching-learning methods (Olympus Great Learning for online lectures, Google Classroom, Web Resources and YouTube Channels). The college employs technologically enabled infrastructure for everyone, with special infrastructural assistance for our students with disabilities, which makes it possible for all our students to engage in an appropriate teaching-learning process. Experiential learning for the students through internships, projects, and field trips is specifically facilitated.

Besides its academic credentials, the college offers dedicated certificate add-on courses like Computerized Accountancy, Communicative/Spoken English, Seed Health Testing, Light Vocal Music, Electronics, Beauty Parlour, Livestock Feed Production Technology, Microbial Techniques and Diploma in Taxation. These courses impart life skills and are transacted by practitioners, thus providing opportunities to students for hands-on experience and building bridges with the world of work.

Our college prioritizes the amalgamation of academic and mental health of our students through the mentor-mentee system. Through focused interactions and guidance offered by the teachers, students are able to have their academic and other issues suitably addressed.

The college follows the Academic Calendar issued by the University at the beginning of the academic year. It clearly delineates a schedule for teaching, examination, semester break and vacations, that is strictly followed by the college to ensure smooth and efficient functioning of its teaching and administrative processes. Within the same framework, the college also prepares its own calendar of events and activities before the commencement of the Academic Session and the same is communicated to all. All the aforementioned information is reinforced during the collegiate and departmental orientation of new students at the beginning of the academic session during the Induction programme.

For the purpose of conducting Continuous Internal Evaluation, teachers prepare their schedule of teaching, class tests and assignments in accordance with their allotted timetable keeping the academic calendar and

planned co-curricular activities of the college in mind. Project work, fieldwork and presentation components of the syllabus and assessment are arranged to keep in mind the pre-planned academic calendars.

At our college, education is a dialogic process, and the robust feedback system gives it this accountability. Feedback forms, analysis and action taken reports for students, teachers, alumni, and employers are displayed on the college website for the requisite stakeholders to confidentially give the college their evaluations and suggestions.

## 1.3 Curriculum Enrichment

### 1.3.1 Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

#### Response:

Shri Shivaji College stands for values like compassion and commitment to developing self and society. The college regularly organizes socially relevant events and outreach programmes so that student learn to engage with socio-cultural issues in a constructive manner.

Academically, Generic Electives, Skill Enhancement Courses and Ability Enhancement Compulsory Courses are offered within and across departments, to help students critically examine issues related to gender, environment and ethics. The college follows a curriculum wherein several undergraduate programs in subjects like Languages, Sociology, Political Science etc incorporate the topics of their respective courses that cover crosscutting issues relevant to Gender, Environment and Sustainability, Human values and Professional ethics.

Every year college students participate and get good ranks or positions in the Gandhi Vichar Sanskar Examination conducted by the Gandhi Research Foundation, Jalgaon. This helps them to inculcate human values and ethics amongst students. As well as the department of English is running a unique certificate course on Communication Skills for the English language to teach skills related to communication every academic year.

Strengthening its commitment to the community, SCP signed MOUs with various firms to enrich curricular processes toward quality enhancement.

The college has carefully planned its infrastructure so as to prioritize the conservation of the environment.

## 2.2 Student Teacher Ratio

### 2.2.1 Student – Full time Teacher Ratio (Data for the latest completed academic year)

**Response:** 70.29

## 2.3 Teaching- Learning Process

### 2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences using ICT tools

**Response:**

Here are our initiatives:

#### a) Experiential Learning:

1. The field visits are conducted by departments of Geography, Microbiology, Economics, Commerce, Physics, Botany, and Chemistry. Also, projects are mandatory for Final Year UG (Environmental Studies) as well as all Final year PG Courses.

2. Each department encourages students to get an experience of what they are exactly studying in the books. For instance, the theories learned in the classroom are practised and done in science laboratories.

4. Political Science students are taken to the local government offices for actual experience.

5. Department of History frequently visits the local fort, historically significant places.

7. Curriculum-related different competitions are organized for better learning experiences.

#### b) Participative Learning Methodology:

Our teachers also make use of participative learning methodology in the teaching-learning process.

1. They skilfully employ the pedagogical tool of 'questioning' in their daily classroom activities. By

asking questions, the teacher not only makes his teaching lively but also it creates interest for learning among our students.

2. Another example of participative learning is the organization of the seminars. The teachers assign the relevant topics to the students. Accordingly, the students write their seminar papers with the help of reference books and online resources. Finally, the students make presentations of their seminar papers.

3. The teachers also organize group discussions in which students actively participate and express their own views on different issues.

4. In addition to this, the students also participate in field projects. Commerce students went for internships as well as have some linkages, and collaborations with industries where our students get training. Going out of the campus, they undertake a survey and collect data. The collected data is analyzed and finally, the project reports are submitted to the college. Some of the best projects are also presented in university-level research competition Avishkar.

5. Also our students visit various banks, libraries and industries to take a firsthand experience of their transactions and processes.

6. Some of our students have also participated and presented posters and papers in national/international level seminars, conferences and poster presentation competitions

### c) Problem Solving Methodology:

Teachers use a Problem-solving methodology in which they push students to meditate on a particular issue that requires resolution. Both teachers and students are involved in the idea to solve problems. Teachers from Mathematics, Physics, Chemistry and Accountancy use this method. The ultimate impact of these students centric methods of teaching are seen in the overall understanding of the concepts and the ideas by the students that are given in the syllabi. These methods enhance the interest of both the students and teachers in the teaching and learning process.

### c) Great Learning Platform for Online Learning:

The college has provided Samsung Galaxy Tabs to all regular full-time teachers to promote ICT-based teaching. The college formally collaborates with the country's leading online learning platform - Great Learning. Through it, we provide 4 Quadrant Learning environment to our students. The platform provides facilities to conduct live classes, share recorded videos, distribute text materials, conduct exams, interact through discussion forums and track attendance. Students also can access study materials for all the courses.

## 2.5 Evaluation Process and Reforms

### 2.5.1 Mechanism of internal/ external assessment is transparent and the grievance redressal system is time- bound and efficient

**Response:**

- Evaluation is an integral part of the teaching-learning process. At the beginning of the academic year, in the student induction program, all the students are made aware of the tentative schedule of internal tests, the minimum percentage of attendance, evaluation process, distribution of CA marks,

minimum passing marks in theory and practical examinations. With regular interactions of IQAC and Heads of the department, the examination committee plans and works out reforms in the evaluation system.

- IQAC of the college prepares an academic calendar which summarizes the events, examinations and all other activities planned in the academic year.
- The schedule for Internal Tests is prepared by the college Examination Committee.
- Assignments are given to each student as per the requirements of the examination system of the affiliating university.
- The examination committee prepares the internal theory and practical examination schedule well in advance and it is communicated to the students on the central notice board, and college website and concerned teachers make announcements in the classrooms.
- The college has a Telegram Channel with 6000 student subscribers. All the necessary information is communicated to the students on it.
- The internal examination committee looks after effective monitoring and timely implementation of the internal examination and procedure of evaluation.
- The syllabus and the university guidelines related to internal examination patterns are communicated to the students well in advance through the college website, in the classrooms and on what's app groups as well as Telegram Channel.
- The answer sheets are shown to students after evaluation which provides transparency and accountability in the evaluation process.
- During COVID -19 lockdown phase, the oral/internal examinations of the Even semester (2019-20) for the selected courses were conducted online mode through Google forms, WhatsApp and the ZOOM platform.
- Online internal marks are submitted to the university through college login accounts on the university internal examination portal.
- In case of any grievances regarding internal assessment, the student is free to interact with the concerned teacher and get it resolved. Further, he can appeal to the HoD and Principal as well.
- The grievances of the students related to examinations-such as online form submission queries related to hall tickets viz. correction in name/ subject/ subject code/ programme/ pattern, wrong entry of marks and absentee, etc. are addressed in stipulated time by the college and are forwarded to the university. The received message is intimated to the concerned student immediately.
- Grievances related to oral, project and practical examinations are resolved at the department level.
- For students whose marks are not entered or incorrectly entered due to oversight in the University mark list, the college sends a photocopy of the mark list as prepared by the teacher with an application to rectify the error at the University level.
- Any grievance related to the university question paper like out-of-syllabus, repeated questions, the improper split of marks, marks missed, wrong question number during semester exams, etc. are addressed to the principal. In turn, he/she forwards the same to the university immediately.

## 2.6 Student Performance and Learning Outcomes

### 2.6.1 Programme Outcomes (POs) and Course Outcomes (COs) for all Programmes offered by the institution are stated and displayed on website and attainment of POs and COs are evaluated

#### Response:

- A well-structured syllabus and specifications of each course are essential for the effective transmission of knowledge regarding the subject concerned.
- With effect from 2017-18, the CBCS pattern was introduced. From the academic year 2019-20 onwards, the Choice Based Credit System (CBCS) was designed in accordance with the Learning Outcomes-Based Curriculum Framework (LOCF) of National Education Policy (NEP) 2020.
- Learning outcomes and course outcomes are stated for all the courses offered to the students. IQAC uploads them to the college website.
- Course Outlines: Faculty have listed course modules, similar to a table of contents in a book. The outline defines the scope and content of the course.
- Course Schedule: Details of classes being offered, their time, location, and faculty are mentioned in each course schedule.
- The course schedule is published prior to the commencement of each semester. This is circulated among the students well in advance.
- Learning Outcomes (LOs): Specific intentions of a programme are written in clear terms. They describe what a student should know, understand, or be able to do at the end of that Programme.
- Levels of Outcomes: Programme Outcomes (POs): POs are statements which describe what the students, graduating from any educational programme, should be able to do.
- Programme Specific Outcomes (PSOs): PSOs are statements that describe what the graduates of a specific educational programme should be able to do.
- Course Outcomes (COs): COs are statements that describe what students should be able to do at the end of a course. Faculties meticulously prepare programme outcomes for each programme to be attained by the learners.
- The specifications mentioned above include (a) in-depth knowledge a learner has to attain in his / her respective field of study (b) skills associated with it (c) application of the theory imparted in real-life situations and the scope for further exploration.
- Course outcomes are delineated accordingly keeping in mind the transfer of knowledge to occur which indeed is the efficacy of the course.
- The POs, PSOs and Cos thus analyzed and consolidated by each department are uploaded in the college website.
- At institutional level, all these outcomes are shared with the students in orientation programme, classroom discussion, and practical.
- All these outcomes are communicated to the stakeholders through college website.
- The Institution has structured evaluation procedures for IA tests and End Semester Examinations to ensure the achievement of the PSOs.
- The performance of the students in curricular and co-curricular activities also provides a valuable insight to deliberate on the achievement of the LOs.
- The IQAC of the college monitors feedback collected mainly from teachers, students and alumni with reference to the significance and application of the syllabus.
- Program outcomes are assessed through - Progression to higher studies. Assessing the placements of students is another effective method used by the institution to validate the learning outcomes.
- To attain Programme Specific outcomes and Course outcomes, the institution conducts Internal

tests, Seminars, Projects, and Group discussions.

- Course outcomes are assessed through the results of internal tests, university examination results and performance, and University Ranks.

## Criterion 6 - Governance, Leadership and Management

### 6.1 Institutional Vision and Leadership

**6.1.1 The governance and leadership is in accordance with vision and mission of the institution and it is visible in various institutional practices such as decentralization and participation in the institutional governance**

**Response:**

- ***The Motto***

Let us proceed from darkness to light

- ***The Vision***

Eliminating the darkness of ignorance from the lives of peoples living in age-long poverty and help proceed towards knowledge to achieve all round development.

- ***The Mission***

1. Providing quality education to society and economically backward classes.
2. Bringing out educational and cultural development of rural population
3. Providing standard facilities for hostel accommodation, physical education and value education.
4. Bringing out social transformation through education.
5. Creating resources and their utilization for educational upliftment of common people.
6. Promoting intellectual, ethical and cultural development of society.
7. Introducing technical and professional education for increasing employability and economic development.
8. To create a wide-spread educational network seeking mass participation in education.

The principal characteristic of Shri Shivaji College is its commitment to quality and excellence with social and environmental sensitivity. The institution has been promoting quality education especially for the students hailing from rural areas. Our college encourages institution's mission for offering quality education to socially and economically backward classes and students hailing from rural areas. It also addresses social needs, access, equity and quality which are embodied in mission statement. The institution emphasises on enhancing infrastructure in line with the idea of providing adequate space to learners in the campus. It has resulted in bringing about cultural and educational development of students. Institution provides hostel facilities for both boys and girls. The variety of courses embodying technical and professional aspects of education signify our vision for future. Along with the traditional courses, the college introduced different bachelors' programmes as well as some certificate courses which signify the need for radical changes in traditional way of knowledge acquisition. Institution's constant support and encouragement to activities of NCC, NSS, sports and games, and cultural programmes result into providing diversity to students with opportunities to achieve excellence in their fields. NSS unit at the college has been acknowledged as one of the best units under the affiliated university. The Department of Physical Education and Sports has bagged many prizes. All activities always have inclination towards ethical and cultural development and also indicate commitment to value education.

IQAC forms various statutory and auxiliary committees that function separately. Each committee comprises of a chairman and some members. These committees make administrative and academic decisions after discussing the issues in hand. The resolutions passed in different bodies are minute and decisions are taken accordingly. Various committees were formed as per the discussion in the meeting. The committees worked to execute the events were:

- IQAC Cell
- Development and Utilization Committee
- Prospectus Committee
- Examination Committee
- College Magazine Committee
- Alumni Committee
- Discipline Committee
- Sports Committee

## 6.4 Financial Management and Resource Mobilization

### 6.4.1 Institution has strategies for mobilization and optimal utilization of resources and funds from various sources (government/ nongovernment organizations) and it conducts financial audits regularly (internal and external)

#### Response:

The institution collected funds from various sources:

1. **Self-financed courses** like BBA, BCA, BCS, COC, and Diploma in Taxation
2. **UGC Funding-** CPE (Rs. 1.5 Crore), PARAMARSH (Rs. 15 Lacks), STRIDE (Rs. 22.50 Lacks)
3. **State Government-** Ground Levelling (Rs. 11 Lacks), Air Quality Monitoring Project (Rs. 60 Lacks) and Open Gym (Rs. 68,900/-)
4. **Consultancy** A- Sports (Rs. 4,64,650/-) B- Microbiology (Rs. 31,800/-)
5. **Philanthropers/Well-wishers** A- Alumni Associations:- 2,87,530/- B- Directors from Alumni (Rs. 55,000/-)
6. **MRPs**
  1. Dr. R.S. Nitonde STRIDE (Rs. 45,00,000/-) SRTMUN MRP (Rs. 50,000/-)
  2. Dr. G.K.Chalindrawar (Rs. 55,000/-)
  3. Dr. P.B. Kharat (Rs. 55,000/-)
  4. Dr. S.S. Jadhav (Rs. 1,10,000/-)
  5. Dr. Saleem Mohiuddin (Rs. 70,000/-)

The institution conducts internal and external financial audits regularly. The college has a three-tier audit mechanism in which the management of the institute, Joint Director Office and Auditor General, Govt. of Maharashtra carry out financial audits. The external audit takes place after the end of each financial year. The college has deputed an agency of internal auditors to audit the documents of the college. The internal and external auditor submit their reports to the college. Both the reports are evaluated and compliance reports are sought, if any, from the accounts section. The Joint Director, Higher Education, Nanded, and the Senior Auditor conduct the audit of the college regularly and submit the report. The AG of Maharashtra does the final audit. It is done after every ten years.

The college has a well-defined financial and infrastructural development policy. The Finance and Purchase Committee carefully looks into the mobilization and effective use of available financial resources. Annual budgeting and auditing of its account is a regular system of the college. Budgeting and auditing are the forms of understanding where planning meets its realization. The college has its mechanism of short and long-term planning. In the annual budget, long-term planning is taken into consideration to fulfil the promises made by the institution in its vision and mission statement. It always aims at the utilization of funds in the most suitable and effective manner.

**Internal Budget & Audit:**

- The college invites requirements from all departments and accordingly prepares budget for them.
- The finance and Purchase Committee works on the details of the budget.
- It sanctions the budget and presents it to the Principal and College Development Committee (CDC).
- The College Development Committee (CDC) approves it.
- The College Development Committee (CDC) is the authority for checking of the bills and expenditure.

**An internal audit by the statutory auditor.**

The senior Accountant is in charge of maintaining accounts and management of the funds. After receiving proposals from HoDs, the Finance and Purchase Committee sanctions the funds. There are different issues like the number of students, the importance of the subject, research of the faculty, placement record, number of programmes being offered by the department, etc. that affect the quantity and frequency of funds. Management ensures the effective and proper use of financial resources. All transactions are done through the bank and all expenditures, recurring and nonrecurring are incurred through cheques.

**6.5 Internal Quality Assurance System**

**6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities**

**Response:**

The college IQAC has played an instrumental role in designing/ framing and implementing the policies of the college.

The institutional policy for quality assurance is as follows:

1. To develop the human resources and build capacity among the students to cater to the needs of the economy, society and the country as a whole
2. Fostering global competencies among students by establishing collaboration with the industries, NGOs and local neighbourhood
3. Inculcating a value system among students
4. Promoting the use of technology
5. Quest for excellence

**Institutionalization of the Quality Assurance Process:**

1. Effective implementation of systems and processes that have increased the overall efficiency of institutional processes (academic and administrative)
2. Enhanced teacher participation in research, which is evident in the number of sanctioned schemes/projects funded by various funding agencies

3. Development and establishment of special infrastructure in terms of high-end equipment, laboratory infrastructure, software, and high computing machines for professional programmes
4. Focus on the development of e-resources and their integration into classroom teaching.
5. Practical support to teachers and students in all their endeavours leading to excellence in education.

The institution continuously reviews the Teaching-Learning Process, structures and methodologies of operations and learning outcomes proposed and implemented through IQAC.

The academic calendar is prepared and a detailed layout of the teaching plan is incorporated into the calendar. The calendar sets a time-bound frame for the completion of the syllabus and revision by teachers. Students are also benefited from this academic calendar. The Head of each department continuously monitors the academic calendar of the respective faculty. Attendance is compulsorily taken for every lecture. The tutorials and internal tests are carried out. The answer papers are regularly assessed in time and the record of marks obtained by students is kept. Based on the performance, the student's level is judged by the staff and counselling is given to slow learners.

Policies and plans regarding quality assurance are communicated to the teaching and non-teaching staff through meetings, college websites and notices, etc. The students are also made aware of such policies through various programmes. The external stakeholders are briefed about the policies through various platforms like Alumni Association, parent meetings, etc. Feedback is collected from these stakeholders and suggestions are incorporated into the policies. The college prospectus and magazine publish the Vision and Mission Statements, Messages from the Secretary, the President and the Principal. The college magazine publishes annual reports, achievements and activities of the faculty and students in various fields. The college website does provide necessary information indicating its quality assurance policies and its mechanism. The college website is browsed by the stakeholders more often.

## Criterion 7 - Institutional Values and Best Practices

### 7.1 Institutional Values and Social Responsibilities

#### 7.1.1 Measures initiated by the Institution for the promotion of gender equity and Institutional initiatives to celebrate / organize national and international commemorative days, events and festivals during the last five years

##### Response:

##### Gender equity and sensitization

Gender equality is one of the key challenges in the society today. Shri Shivaji College, Parbhani has a strong ethical work culture. It is firmly based on inclusivity.

- The college has formed the Vishakha Cell for the redressal of grievance of girl students.
- College offers admission to downtrodden, needy and economically weaker students.
- A Complaint Box is placed outside the principal's cabin. We maintain strict confidentiality to encourage the complainant to lodge complaint without fear. Counselling is provided to the complainants and the respondents independently by the Vishakha Cell.
- College has adopted mentor-mentee scheme to solve individual problems of students.
- Students are apprised of the gender issues during the Orientation/Self Induction Program held for newly admitted students each year.
- Entire campus is covered under 58 CCTV cameras. Footage of CCTV recording is often seen and necessary actions are taken, if any suspicious activity is observed.
- To monitor the entrance of persons, dedicated security people have been appointed.
- Central gym facility is provided to girl students.
- There are significant number of women participating in NSS unit, Indoor & outdoor games held on various occasions.
- The college has taken several measures to enhance safety & security on campus. Security guards are also available at the women's hostel.
- Department of Physical Education encourages both boys and girls to participate in all sports events.
- College has a discipline committee for continuous monitoring of the security on campus.
- Anti-ragging Committee is formed to protect students from the menace of ragging. The college follows Anti-ragging policy.
- Patrolling van of local police called *Damini Pathak* periodically visits the campus for prevention of offensive activities.
- The College has a Students Grievance Cell that addresses issues on students' grievances. The College has a Students Grievance Redressal Policy.
- Uniform and I-card are compulsory for students.
- College is active in promoting gender equity in academic, social and physical environment.
- The ladies' room is well furnished. Sanitary napkin vending machine and destroyer machine are set up for the girls.
- The college also organized guest lectures, seminars, workshops, etc. on gender equity and sensitization.

In addition to this, the institution also strives hard to organize different programmes, celebrate birth and death anniversaries of eminent people, celebrate national and international commemorative days and

events.

- **Republic Day:** Every year on 26th January
- **Independence Day:** 15th August every year
- **Marathwada Mukti Sangram Din:** 17th September every year
- **Constitutional Day:** every year on 26th November
- **Responsibilities and Ethics in Research:** Postgraduate students have the Research methodology subject as a part of curriculum with the ethics in research.
- **Cleanliness/Plantation drive:** Students consistently and regularly participate in the cleaning activities on the several occasions.
- **Induction Programme:** In the induction programme every year for the freshers, students are guided about values, rights, duties and responsibilities.
- **Student Union:** SSCP facilitates Student Union's election. Likewise, elections of the registered associations of non-teaching staff, officers and teachers are also held as per their constitution.

**7.1.4 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens (Within 500 words)**

**Response:**

The institution believes in equality of all cultures and traditions as is evident from the fact that students from different castes, religions, and regions are studying without discrimination. Though the institution has diverse socio-cultural and different linguistic backgrounds, we do not have any intolerance towards cultural, regional, linguistic, communal socio-economic and other diversities. The institute is proactively taking efforts to provide an inclusive environment. The initiatives are to promote better education, economic upliftment of the needy and setting communal harmony.

i) Various departments organize field studies and tours to visit industries. Faculty and students are exposed to different cultures.

ii) Under the *Unnat Bharat Abhiyaan*, the college adopted 5 villages in the Parbhani district to conduct activities for their socio-economic development. Institute has conducted lectures in these villages for increasing their environmental and ethical awareness.

iii) Blood donation camp is annually organized at the college where students, faculty and staff contribute voluntarily by donating blood for the noble cause of serving society.

iv) To build a nation of youth, the college organizes and conducts various activities to build and promote an environment for ethical, cultural, and spiritual values among the students and staff.

v) Motivational lectures of eminent persons are arranged for the personality development of the students and to make them responsible citizens following the national values of social and communal harmony and national integration.

vi) The college conducts several programs for providing an inclusive environment. It has taken various initiatives for promoting tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic, and other diversities.

vii) The college also organizes various cultural programs to celebrate the cultural diversity of India. Students from multiple regional and cultural backgrounds participate in such programs.

viii) Various activities like essay writing competition, patriotic song singing competition, and mass recitation of the national anthem by all students are exercised and performed.

ix) To develop the emotional and religious feelings among the students and the faculty, birth and death anniversaries and commemorative days are celebrated on the campus.

**x)** The different departments in the college conduct seminars, workshops, and outreach programs to promote communal harmony and tolerance.

**xi)** Special facilities are created for the Divyangjan students. Their mobility is supported by the provision of ramps and wheelchairs.

**xii)** Priority in admission is given to socially and economically weaker sections and women. All the members of the faculty in the admission committee ensure the admission of the marginalized sections and women.

The college organizes various programs from time to time for the promotion of Constitutional values, rights, duties, and responsibilities of citizens. It designs various activities to create awareness about the national identity and symbols. Moreover, these are aimed to familiarize its stakeholders with Fundamental Duties and Rights.

## 7.2 Best Practices

### 7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual

#### Response:

#### Best Practice-1

##### 1. Title of the Practice: Nurturing the culture of an eco-friendly campus

##### 2. Objectives of the Practice

1. Efforts for maintaining an eco-friendly campus
2. To keep carbon neutrality on the campus
3. To manage e-waste, degradable and non-degradable waste
4. Proper management of water resources, energy and environment
5. Organizing various activities for the promotion of environmental consciousness
6. To ban the use of plastic

##### 3. The Context

On the campus of 20 acres, healthy practices like water conservation, water-recharge system, solar energy, solar-based street lights, purchase of energy-efficient instruments, doing energy and environment audits regularly, and running various eco-friendly activities were expensive. The college authorities used cost-

cutting measures to make the required provision of the budget for the said activities and projects.

#### 4. The Practice

1. **The Origin:** From the perspective of social responsibility, the college has been taking initiatives to conduct various activities in support of environmental conservation. These activities and their outcomes are vividly visible on the college campus.

2. **The Practice:** There are a number of ways by means of which the college has tried to attain its goal of environmental conservation:

- 1.Environment, energy and green audit completed
2. Water recharge facility on the campus
3. Wastewater is used to water plants in the garden
4. Contract with an external agency for e-waste management
5. Bio-degradable and degradable waste management in the campus by means of vermicompost and biogas plant
6. Ban on the single use of plastic on the campus
7. Use of solar energy & solar-based street lights
8. Use of energy-efficient instruments
9. No hazardous chemicals are produced
10. Attempts to maintain carbon neutrality
11. Lush green campus
12. A project sanctioned by Maharashtra Pollution Control Board to monitor the air quality in 3 districts

1. **Its uniqueness:** The initiatives that the college has taken are difficult to follow. The main reasons behind that are economic backing and the willingness of the administration. The project sanctioned by the Maharashtra Pollution Control Board is also a unique activity. To maintain the ecological balance, the college intentionally takes various initiatives as mentioned above.

#### 5. Evidence of Success

The impact of the attempts can be discussed below:

- i) Wastewater used for watering the plants in the garden
- ii) Generation of electricity with a 50 kW solar power project
- iii) Recipient of awards and recognition for green initiatives
- iv) Utilization of each and every drop of rainwater through a water recharge system
- v) Energy, Environment and Green audits by a government-certified agency
- vi) The manure procured from the vermicompost plant is used in the garden.
- vii) Use of biogas for cooking in the women's hostel

## 6. Problems Encountered and Resources Required

There were many hurdles on the way to reaching the present destination. They were as below:

- i) Budgetary provisions
- ii) Requirement of infrastructural changes
- iii) To get the students and staff habituated to the eco-friendly activities
- iv) Regular maintenance and caretaking of the infrastructure and instruments

### Best Practice-2

#### 1. Title of the Practice: Empowering the students through training and placement (T & P) activities

#### 2. Objectives of the Practice

- a) To create awareness of the placement and selection process
- b) To assist students in cracking the aptitude tests
- c) To provide a grooming environment through personalized coaching and group activities
- d) To enhance overall personality, employability opportunities & employability skills
- e) To Prepare students for entrepreneurship to face bigger challenges

#### 3. The Context

T & P programme is exclusively designed for the students in order to make them ready for future challenges. It is focused on ensuring that the students are well equipped with all the desired skills to get through the recruitment process of various companies/firms from different sectors by gathering inputs from the jobseekers and placement providers.

#### 4. The Practice

It has been a very common perception in India that there is a gap between industry and academia in terms of what is required by industry and what is taught by educational institutions. To fix this issue, SSCP took this initiative. This is to ensure that the gap is minimized and ultimately bridged.
